## LICENSE ADDITION: COMPUTER EDUCATOR LICENSE

The State of Indiana has authorized Indiana University School of Education to offer License Additions in selected areas. The Computer Educator License can be added to an Elementary or Secondary License. This program is only available to teacher candidates who are in the process of completing an initial license in a recognized Teacher Education Program. A "C" or higher grade in each professional education course and a minimum 2.5 GPA in the license addition is required.

In most cases it may not be possible to complete this license addition as part of the four year undergraduate degree program. A graduate option is available. Students should check with the Dr. Bob Appelman to see when these courses are generally offered.

**NOTE:** Alternate courses may be approved by the Academic Standards Committee with the recommendation of the Computer Educator License Faculty: Dr. Bob Appelman, Rm 2222, appelman@indiana.edu, 812-856-8456.

Pre-requisite	3	
Required	<u>18</u>	
<b>Total</b>	<b>21</b>	<b>credits</b>
