LICENSE ADDITION: THEATRE

The State of Indiana has authorized Indiana University School of Education to offer License Additions in selected areas. The Theatre License Addition can be added to a Secondary License. This program is only available to teacher candidates who are in the process of completing an initial license in a recognized Teacher Education Program. A "C" or higher grade in each theatre and professional education course and a minimum 2.5 GPA in the license addition is required.

In most cases it may not be possible to complete this license addition as part of the four year undergraduate degree program. A graduate option is available. Students should check with the Theatre and Drama Department (Theatre 230, 812-855-4342) to see when these courses are generally offered.
