# CANVAS TIPS & HINTS

How do I modify course navigation bar?

- Open **Settings** on the right navigation bar.
- Click the **Navigation** tab.
- Reorder navigation links by dragging and dropping.

Settings

Course Details Sections Navigation Apps

Drag and drop items to reorder them in the course navigation.

Home	
Syllabus	⋮
Announcements	⋮
Modules	⋮
Quizzes	⋮
Pages	⋮
Attendance	⋮

Drag items here to hide them from students.

Disabling most pages will cause students who visit those pages to be redirected to the course home page.

Lockdown Browser	⋮
Page disabled, won't appear in navigation
