**The Kate Hevner Mueller Award**

The Kate Hevner Mueller Outstanding Senior Awards were established to honor IU seniors who have proven leadership on campus both inside and outside of the classroom. Dr. Mueller's belief was that a university should promote the intellect, develop the personality, and teach citizenship as well as leadership to all students. If you know a deserving student, please visit [http://seniorrecognitionawards.iub.edu/submit-nominations.html](http://seniorrecognitionawards.iub.edu/submit-nominations.html) to learn more about the nomination process. The **nomination deadline is December 12, 2014.** Eligible candidates must be a senior during the spring of 2014 and have a strong academic record (a senior graduating in December should be nominated during the calendar year of their graduation).

**Center for Postsecondary Research to House Carnegie Classification of Institutions of Higher Education**

The Carnegie Foundation for the Advancement of Teaching has transferred responsibility for the Carnegie Classification of Institutions of Higher Education to the IU Center for Postsecondary Research. The Classification will continue to retain the Carnegie name after the Center for Postsecondary Research takes over responsibility on Jan. 1.

As a part of the move, the Lumina Foundation is awarding $500,000 to CPR to update and enhance the Carnegie Classification to reflect and accommodate an evolving higher education landscape. The award is part of Lumina’s Degree Qualifications Profile Initiative, unveiled in October during the event “The Degree Qualifications Profile and Tuning: Call for Action, Conversation about Next Steps” held in Indianapolis.
