Program is under revision to meet the emerging Indiana Rules for Educator Preparation and Accountability (REPA) licensing requirements. Please see an education advisor for more details.

**LICENSE ADDITION: SECONDARY SPECIAL EDUCATION/EXCEPTIONAL NEEDS (MILD INTERVENTION)**

The State of Indiana has authorized Indiana University School of Education to offer License Additions in selected areas. The Special Education License can be added to an initial Secondary License. A "C" or higher grade in each professional education course and a minimum 2.5 GPA in the license addition is required.

In most cases, it may not be possible to complete this license addition as part of the four-year undergraduate degree program. A graduate option is available.

September 2011

1. Currently, this program is **only** available to secondary education teacher candidates in the Language Arts/English, Math and Science programs who are in the process of completing an initial license.
2. Unless otherwise stated in the Schedule of Classes, classes will be taught in a hybrid format with four (4) face-to-face meetings during the course of the semester and the remaining meetings will be via live internet feed.
3. Students pursuing a **Secondary Anchor** program will substitute required license addition courses EDUC-K205 for EDUC-K306; and EDUC-K344 for EDUC-S303 in their initial license area.
4. Students in the **Secondary Community of Teachers** program will **not** be required to take the 3 credits of laboratory/field experience courses in the license addition attached to EDUC-K344, EDUC-K352 and EDUC-K371.
5. Students in the **Secondary Community of Teachers** program will be required to find and work with a special education mentor teacher along with their content area mentor teacher.
6. The first cohort of students for this program will be admitted into this License Addition Program during the October 1, 2012 application period in order to enroll in EDUC-K344 and EDUC-M301 Spring 2013. (See other side for the application.)

**ADMISSION TO THE LICENSE ADDITION PROGRAM**
(Competitive enrollment. Meeting minimum admission requirements does not guarantee admission.)

1. 2.5 GPA Overall.
2. Enrollment in or completion of EDUC-K205: Intro to Exceptional Children.
3. Apply by October 1 to take EDUC-K344 and EDUC-M301 Spring semester.
4. Submit completed application to Curriculum & Instruction Department in ED 3140. (See other side for the application.)
