Counseling/Counselor Ed MSED to Mental Health Counseling EdS

If you are interested in continuing your education and applying for the Mental Health Counseling EdS, below is a step-by-step procedure on what you must do.

Application/Registration/Graduation procedures:

1. Each Counseling/Counselor Education MSED student that wishes to be considered for the Mental Health EdS must complete a new application. Here is the link to apply through the Indiana University Bloomington University Graduate School, http://graduate.indiana.edu/admissions/index.shtml.
   • Application fees are waived when applying within 2 years of the prior application. Prior materials submitted for the MSED application will be used if not expired (such as GRE scores over 5 years old), with the exception of the personal statement. This includes transcripts and letters of recommendation.

2. Each IUB applicant must provide a new personal statement with the application to the Mental Health Counseling EdS.

3. Each IUPUI student must complete an application through IUB and submit All materials including personal statement, GRE scores (less than 5 years old), transcripts and letters of recommendation. Here is the link to apply through the Indiana University Bloomington University Graduate School, http://graduate.indiana.edu/admissions/index.shtml.
   • IUB and IUPUI do NOT share nor have access to student’s application materials. We must have materials on file for admission.

4. The following are completed application deadlines for the Mental Health Counseling EdS:
   - Fall: Apply by October 1
   - Spring: Apply by March 1
