Hoosier Alternative Breaks (HAB) envisions a campus where every IUB student has the opportunity to explore, serve, and learn through an alternative break experience. We support individual students seeking out experiences, as well as 20+ registered student organizations that plan, coordinate, and lead alternative break experiences. Alternative breaks are service experiences where students travel locally, across the US and the globe in small groups to work in partnership with host organizations on community-driven service and social justice projects.
