Title of Practicum

Campus Center Assessment & Partnerships

Practicum Description Summary
The practicum student for the IUPUI Campus Center will assist in a current assessment project designed to understand the growth and differences between Campus Center Team Members and members of the Student Activities Programming Board. This student will assist in the implementation and evaluation of the assessment tool that will include interviews, administering the tool, and evaluation of the data collected.

Additionally, the student will gain experience working with an urban community by developing campus & community partnerships that will result in the execution of a program with assistance by Campus Center student team members at the conclusion of the semester.

Sponsoring Office
IUPUI Campus Center

Department/Office web site address: http://campuscenter.iupui.edu

If multiple students can be selected for this position, please indicate the number of practicum students the site is willing to host:

Spring 2016

Number available: 1

Please identify any requirements outside the 8 hours per week of the practicum experience the student would be expected to complete:

There are no additional requirements outside the eight hours per week. The student is expected to be self-directed with weekly oversight by the Coordinator of Student Programming and Associate Director of the Campus Center.

Learning outcomes associated with the practicum experience in your office:

As a result of completing this practicum experience, the student will be provided with exposure to better:

- Facilitate appropriate data collection for department-wide assessment and evaluation efforts using up-to-date technology and methods.
- Articulate and interpret the results of assessment.
- Work directly with professionals and students in a student union setting.
• Understand the connectivity between an urban community and city to build on-campus programming efforts.
• Understand program implementation and management.

Provide a brief summary of the activities, duties, responsibilities and/or special projects associated with this position:

The student will be able to complete the following during their practicum experience:

• Administer the assessment tool to Campus Center Team Members and Directors of the Student Activities Programming Board and conduct follow-up interviews.
• Draft a report utilizing assessment data.
• Outreach to on-campus and off-campus partners to develop programming in collaboration with Campus Center programs.
• Attend Campus Center staff meetings and team meetings if available.
• Meet weekly (or as needed) with the practicum supervisor.
