By signing the transcript release you have given our office permission to use, copy, and send your transcript(s) with your Student Teaching application. If you attended schools other than IU, you must submit transcripts from all previous institutions unless those classes transferred to IU and appear on your transcript.

**STUDENT TEACHING CONTRACT**

I have reviewed all Student Teaching materials and have completed all forms and documents needed by the Student Teaching Office to help secure my Student Teaching placement. Additionally, I turned in these materials on or before their due date. If I missed my due date, I do understand that the “intake process” for my Student Teaching placement(s) will be somewhat delayed.

Since good communication between the future Student Teacher and the Student Teaching Office is absolutely critical, the student teacher must inform the Student Teaching Office of any change in address, phone numbers, eligibility status, special program status, and any other information that effects the Student Teaching placement. Failure to do so may result in delays in processing your application and ultimately could harm your chances of obtaining one of the placements you prefer.

I have reviewed all documents that will be sent to school systems and schools and believe that they are accurate, well written, and complete. Further, I also know that if errors are found by the Student Teaching Office, I might have to make arrangements to re-do the documents found to be not acceptable.

Concerning geographic location(s) and placement(s), I understand that it will NOT always be possible for the Student Teaching Office to secure a placement in accordance to my preferences as listed on my documents. I agree to cheerfully accept any reasonable alternative placement that might be arranged for me by the Student Teaching Office. I understand that any failure to abide by agreements and due dates could jeopardize my placement. **I AGREE TO COMMUNICATE IN A PROFESSIONAL MANNER.**
