LICENSE ADDITION: SECONDARY SPECIAL EDUCATION/EXCEPTIONAL NEEDS (MILD INTERVENTION)

The State of Indiana has authorized Indiana University School of Education to offer License Additions in selected areas. The Special Education License can be added to an initial Secondary License. A "C" or higher grade in each professional education course and a minimum 2.5 GPA in the license addition is required.

It may not be possible to complete this license addition as part of the four-year undergraduate degree program. A graduate option is available.

May 2015

- Currently, this program is only available to secondary education teacher candidates in the Language Arts/English, Math and Science programs who are in the process of completing an initial license.
- Unless otherwise stated in the Schedule of Classes, classes will be taught in a hybrid format with four (4) face-to-face meetings during the course of the semester and the remaining meetings will be via live internet feed.
- Students pursuing a Secondary Anchor program will substitute required license addition courses EDUC-K205 for EDUC-K306; and EDUC-K344 for EDUC-S303 in their initial license area.
- Students in the Secondary Community of Teachers program will not be required to take the 3 credits of field experience courses in the license addition attached to EDUC-K344, EDUC-K352 and EDUC-K371.
- Students in the Secondary Community of Teachers program will be required to find and work with a special education mentor teacher along with their content area mentor teacher.
