Detail Description of Academic Positions

Indiana University, Bloomington, Indiana

Associate Vice President, Office of the Vice President for Diversity, Equity, and Multiculturalism

2020 - Present

Responsible for supporting university leadership in the development of a strategic framework for transformative action to eliminate inequalities across the university by coordinating, managing, and supporting efforts related to the office of the Vice President and the Anti-racist agenda for Indiana University. Reviewing and recommending policy and operational changes to assist the VP with aligning objectives, strategic plans, and institutional reform efforts with the university’s mission while infusing equity, diversity, and inclusion goals. Assist the VP with engagement and collaboration to expand, develop, and coordinate outreach and awareness programs with community organizations that foster student, staff, and faculty achievement, retention, enrollment, and success. Worked to develop impactful ways to share research, publications, creative works, and best practices through various media outlets, workshops, training, symposiums, and conferences locally, nationally, and globally.

Senior Scientist, Kinsey Institute

2020- Present

Served as researcher to assist with generating research related to LGBTQ+ lives. Support other researchers and Executive Director as needed on collaborative research, fundraising for LGBTQ+ topics, and research on LGBTQ youth mental health as part of the partnership between KI and the Trevor Project.

Dean, School of Education

2018 - 2020

The IUB School of Education (SoE), consistently ranked among the top education schools in the U.S., has developed a strong national and international reputation for academic excellence, preparing reflective, caring, and highly skilled practitioners and scholars who go on to inform education theory and practice, and effect change locally and globally. Indiana University

Bloomington is a member of the Association of American Universities, and is the flagship research-intensive campus of Indiana University. Responsible for the SoE's 103 faculty members offer undergraduate, graduate, and certificate program education to 800 undergraduate and over 1,000 graduate students. With an annual operating budget of \$34.8 million and more than \$7.7 million in external grant funding, the SOE includes six specialty centers and institutes and is divided into five academic departments.

University of South Carolina, Columbia, SC

Executive Director, Center for Innovation in Higher Education

2016 - 2018

Responsible for developing and providing vision and leadership for the Center. The Center for Innovation in Higher Education (CIHE) at the University of South Carolina seeks to cultivate public intelligence concerning socially, culturally, and educationally vital ideas that can be advanced by research, education and conversation at the interdisciplinary seams that education and other social sciences share with one another, the humanities, behavioral sciences, and STEM fields. The Center supports interdisciplinary projects that are designed to advance public intelligence around central priorities of the University and our society. The CIHE's own research activities at this time focus on leadership challenges and talent management issues in contemporary educational and non-profit organizations. This position reports to the Provost and the Dean of the College of Education

Dean, College of Education,

2011 – 2016

Collaborate and partner with multiple state agencies, legislators, boards, school districts, and businesses on the behalf of the University of South Carolina and as dean to transform education in the state. Therefore, provide leadership and vision to a college of four departments, and various other units and research centers approximately 150 faculty and staff (90 faculty FTE), which is home to roughly 3000 undergraduates and graduate students. The college offers classes in a variety of locations. The academic dean serves as the chief operating officer for the college with overall responsibility for instructional, research, and service programs; curriculum and program development; facility and maintenance (2 buildings); faculty and staff employment, development, and evaluation; student support services; fund and friend raising from public and private sources; and all other aspects of the college operations. The general revenue budget for the college is approximately \$23,100,000. A team of 18 reports directly to the dean. In addition, it is the dean's responsibility to oversee and to ensure that the college and its program are in compliance with university, state, and national expectations and professional standards.

Northern Illinois University, DeKalb, IL

Executive Director, Center for P-20 Engagement,

2009 – 2011

Provided vision and leadership for the Center; collaborated with the P-20 Task Force to establish strategic directions and institutionalize coordination of P-20 engagement activities. Also, recognizes synergies and brokers alliances among NIU's independent, autonomous P-20 projects as well as new ventures, championed engagement, encourages collaboration, and nurtures partnerships. Convener for the P-20 Network and other P-20 engagement activities. In addition to increasing awareness of the numerous initiatives under NIU's P-20 engagement "umbrella" and promotes NIU's leadership through both internal and external communications. Negotiates with participates in regional, state, national, and international leadership activities

that expand engagement across the P-20 continuum. This position reports to the Provost and the Vice President of Outreach.

Dean, College of Education,

2007 – 2010

Provide leadership and vision to a college of six departments, a partnership office, two research centers, a clinical office, office of international initiatives (14 partnerships), and other necessary units, with approximately 175 tenure/tenure track faculty and staff which is home to roughly 5000 undergraduates and graduate students. The college offer classes in a variety of locations across Northern Illinois. The academic dean serves as the chief operating officer for the college with overall responsibility for instructional, research, and service programs; curriculum and program development; facility and maintenance (3 buildings); faculty and staff employment, development, and evaluation; student support services; fund and friend raising from public and private sources; and all other aspects of the college operations. Currently, the general revenue budget for the college is approximately \$18,600,000. A team of 18 reports directly to the dean. In addition, it was my responsibility to oversee and to ensure that the college and its program are in compliance with university, state, and national expectations and professional standards. I was the spokesperson for the college with regards to being responsive to challenges, opportunities, and request from our external constituents, K-12 partners, local, state, national, and international agencies, and other units on campus.

Acting Associate Dean for Academic Affairs and Research,

2006 – 2007

Assist the Dean with the administration of the College [117 tenure/tenure track faculty, approximately 5,000 students equally divided between undergraduate (3 B.S.Ed., 2 B.S.) and graduate programs (2 M.S., 12 M.S.Ed., 1 Ed.S., 6 Ed.D.)]. Primary responsibilities include academic planning and curriculum coordination; assessment as it relates to curriculum; and coordination of internal and external program reviews, initial and advanced program certification, enrollment management, student services including advising and instructional assistance, and internal and external public relation communication tools. Developed and implemented Education E-Notes. Supervise the Office of Instructional Assistance and the Advising and Student Services Office. Monitor all course offerings (on-and off-campus) and coordinate the College's summer school offerings. Monitor curricular proposals and attend, as appropriate, university curriculum committee meetings. Coordinate the academic program review process and monitor documents as they move through the university system. Oversee the process for graduate faculty status, part-time graduate instructors, dissertation committee assignment, dissertation direction assignment, and class fees. Supervise three supportive professional staff members and three civil service staff members. In conjunction with the Dean, coordinate partnerships for the College, development activities, new faculty retention, alumni relations, budget implementation, and strategic planning. Represent the college and university at state and national meetings. Represent the college on university committees. Interpret policies and procedures for students and faculty. Meet with prospective graduate and undergraduate students as needed.

Professor and Chair, Dept. of Counseling, Adult & Higher Education

2003 – 2006

Director, Office of International Initiatives, College of Education

2003 – 2005

Provide leadership, vision, and counsel to 16 full-time faculty and a host of adjuncts and visiting faculty in the department. Also responsible for supervising staff, graduate students and student

workers in main office, career resource center, and counseling lab. Directly accountable for the fiscal status of the department and yearly budgetary issues, the hiring and retaining of new and seasoned personnel, and the scheduling for six various locations in the Northern Illinois University service region. In addition, represented the college with regard to international agreements, programs and initiatives for 13 partnerships, and directly responsible for the fiscal and daily operations of the International Initiatives Offices. Also, responsible for leading the department for general assessment, program review, and CACREP for the counseling program.

Clemson University

Associate Professor and Coordinator,*Department of Leadership, Technology, and Counselor Education in the**College of Health, Education and Human Development*1999 – 2003

Coordinated doctorate, masters, and educational specialists degrees in educational leadership. Also directed the higher education program (online and traditional) with emphasis community college cohorts. Responsibilities include scheduling classes, hiring adjunct faculty, teaching courses at the graduate level, both masters and doctoral students in K-12 and higher education. Also, responsible for working with the School of Education and department regarding NCATE, CACREP, and SACS qualification of programs in educational leadership. Responsible for working with external agencies and organizations for partnerships, Certifications, and collaborations regarding leadership and administrative issues.

Heartland College

Dean and Faculty,*Division of Academic Support, Heartland College, Normal, IL*1998 - 1999

The Division of Academic Support served the needs of students, faculty, and staff across the college as well as external agencies. Responsibilities included planning, administering, and evaluating the areas of Open Learning, Open Computing, Interactive Television, Web-Based Online Courses, Library, Adult and Vocational Education, Reading, Tutoring, Testing, Assessment, Developmental Education, Faculty Development, General Studies, and College Success Skills. Supervised, advised and evaluated full-time and part-time faculty, administrators, professional-technical personnel, and staff. Also was responsible for full-time and adjunct faculty training and orientation for over 110 personnel with a budget of approximately \$1.Million per year. In addition, was responsible for federal, state, and regional grants for programs administered by the division. Served as a member of the Instructional Service Council and provides leadership to the college and state. Also, performed routine administrative duties such as budget development, scheduling classes, facilities planning, and consortia participation. In addition, taught appropriate general education courses when needed.

Illinois State University

Associate/Assistant Professor and Coordinator,*Department of Educational Administration and Foundations*1994 - 1999

Undergraduate Education: Worked with the Office of the Provost to conceptualize and plan the initiatives for the first University College at Illinois State University. Continue to advise and work with various constituencies from the University College about the First Year Experiences, Assessment, and Academic Support. Lead the initiative in the College of Education for the evaluation of faculty effectiveness and evaluation on teaching undergraduate and graduate

students as a member of the College Faculty Status Committee. In addition, work as an advisor and actively participated with the Center for the Advancement of Teaching.

Graduate Education: Responsible for planning, designing, and coordinating curriculum for the masters of Higher Education Concentration. Taught courses at the graduate level, both masters and doctoral students. Other duties include serving as advisor to more than 40 graduate students in the master’s program and doctorate programs. Also served as methodologist (quantitative and qualitative methods), co-chair and chair of both K-12 and higher education students' dissertations.

Coordinator of Master’s of Higher Education Program: Responsible for coordinating the concentration for Higher Education master’s student for the department which includes scheduling, recruiting, marketing, and advising to internal and external constituents. Serve as a representative of the department to the graduate school and university. Enrollment in this concentration increased 75 % in three years and has a 95 % graduation rate.

Indiana University, Bloomington, IN

*Assistant to the Vice Chancellor for Undergraduate Education,
Office of Academic affairs and Dean of the Faculties*

1991 - 1994

University Division and Orientation:

Represented the Dean of Faculties Office in hosting parents and students for summer, fall, and spring orientations. In addition, responsible for the entire summer transfer student program. Wrote programs to generate reports, letters, and other important information for the offices involved. Worked throughout the year with various academic and student affairs units in the planning and organizing of summer orientation.

Special Programs:

Worked with the Associate Vice Chancellor and Director of Special Programs in promoting and assessing a new university wide mentoring program for first year minority students (FASE - Faculty and Staff for Excellence). This program’s purpose was to assist minority students with success in their academic and social lives to improve retention and graduation rates.

Assessment:

Assisted the Associate Vice Chancellor in identifying assessment measurements and tools for collecting data for evaluating students’ cognitive and affective educational outcomes. Served as an active assistant in implementing the university wide general education assessment project for North Central Crediting Association. Worked with faculty and other university personnel in conducting assessment projects for their classes, departments, units, and colleges.
