IV. New Course/Course Changes

The following new course or course change proposals have been reviewed and approved by the Graduate Studies Committee, the Committee on Teacher Education or the Undergraduate Studies Committee. These course proposals will be forwarded to the next level of approval unless a remonstrance is received within 30 days.

BL EDUC - G 514 PRACTICUM IN ALCHOL AND DRUG COUNSELING 3 credits BL

Document 72023056

Description - This course is a field experience in an alcohol or drug counseling agency. The field experience involves direct supervision by faculty and approved clinical supervisors in the field.

Justification - This course is being matched to be offered at the Bloomington campus. The mental health counseling program in the School of Education is in the process of adding an Addictions Counseling track to the program. This course will be a part of that program.

BL EDUC – G 513 LEGAL AND ILLEGAL DRUGS OF ABUSE 3 credits

BL

Document 71736407

Description - This course deals with the physiological, behavioral, and pharmacological aspects of legal and illegal psychoactive substance use. Special emphasis is placed on observable signs and symptoms resulting from use of psychoactive substances. Attention will also be given to recent trends in psychoactive substance use.

Justification - This course is being matched to be offered at the Bloomington campus. The mental health counseling program in the School of Education is in the process of adding an Addictions Counseling track to the program. This course will be a part of that program.

BL EDUC-G 511 SCREENING AND ASSESSMENT OF ALCOHOL AND DRUG PROBLEMS 3 credits BL

Document 71739440

Description - This course deals with the physical, social, psychological, vocational, economic, and legal symptoms of alcohol and drug abuse. Instrumentation for screening and assessment in clinical situations is presented as well as medical and nonmedical diagnostic criteria. This course includes both instructional and experiential learning opportunities.

Justification - This course is being matched to be offered at the Bloomington campus. The mental health counseling program in the School of Education is in the process of adding an Addictions Counseling track to the program. This course will be a part of that program.

BL EDUC-G 512 COUNSELING APPROACHES WITH ADDICTIONS 3 credits

BL

Document 71933860

Description - This course is an introduction to the major theories of alcohol and drug treatment. Special attention will be given to recent developments in the field as well as research-based theories of treatment. Students will be expected to engage in active learning projects both within and outside of the classroom.

Justification - This course is being matched to be offered at the Bloomington campus. The mental health counseling program in the School of Education is in the process of adding an Addictions Counseling track to the program. This course will be a part of that program.

BL EDUC-G 592 SEMINAR IN DRUG/ALCOHOL ABUSE PREVENTION 3 credits BL

3 credits BL

Document 72028273

Description - Introduction to etiology and symptomology of drug/alcohol abuse and methods of prevention or remediation. Includes dynamics of Adult Children of Alcoholics/Abusers and families of abusers.

Justification - This course is being matched to be offered at the Bloomington campus. The mental health counseling program in the School of Education is in the process of adding an Addictions Counseling track to the program. This course will be a part of that program.
