New Course

M302 Mathematics Throughout the Secondary Curriculum variable 1 – 3 crs BL/IUPUI
 Students engage in making connections between the mathematics content of certain required mathematics courses and the teaching and learning of secondary school mathematics. Students analyze important “big ideas” in mathematics. Additionally, students prepare and collect lesson plans for use during student teaching and beyond.

Course Change

E348 Foundations of Early Care and Education I variable 1-3 crs BL/IUPUI
 Changing to variable credit will make it possible to implement future changes in the program more readily.

E351 Foundations of Early Care and Education II variable 1 – 3 crs BL/IUPUI
 Changing to variable credit will make it possible to implement future changes in the program more readily.
