Course Changes
Q405 Integrated Sciences for Science Education 1-4 credit hours BL/IUPUI
Changing credit hours to variable 1 - 4

Q506 Methods of Teaching 3 credit hours BL/IUPUI
Q546 Exploring Secondary School Science Teaching 3 credit hours BL/IUPUI
Justification
Q546 and Q506 are science education methods courses taken by graduate students working towards teaching certification and/or Masters degrees. Currently, Q546 which serves as an introduction to science teaching is offered for 2 credits, and Q506 which is the follow up second methods course is offered for 4 credits. The proposed changes make both courses 3 credits.

J664 – Contemporary Curriculum Discourses 3 credit hours BL/IUPUI
Justification – more accurate reflection of course orientation & confusion over the term “theorizing.”
