

Graduate Studies Committee Policies recommended for sun setting: decision at meeting 2/7/2018

Policy	Rationale (brief description of why it is not needed)	Replacement policy needed (yes or no)
96.27 Distance Education Policy Recommendations	This seemed to be a taskforce report and recommendations for online education from 1996. Of course a lot has changed in online education since then.	No
97.21 EdD Advisory and Research Committees	This appears to be another report and recommendations. The document was titled "ELPS Recommendation about Ed.D. Committee Membership"	No
