For goals, charges, actions, and outcomes, please update the spreadsheet which can be found [here](#): Done.

Recommendations for Future Action (please provide a bulleted list):

- Review impact of early priority funding deadline.
- Finalize any changes to the Annual Review process for doctoral students.
- Evaluate campus-level leave-of-absence policy guidance and incorporate into SOE policy as appropriate.
- Continue to monitor the OCAP process and propose needed changes as possible.

Other comments: These recommendations may be revised on Sarah Lubienski's return from sabbatical.
