

2022-2023 Undergraduate Studies Committee Annual Report

Committee	Charges	Progress	Barriers, if any	Estimated Completion Date	Additional Notes
Undergraduate Studies	Charge 1: Consider the unique nature of this committee versus the work of the committee on teacher education	Committee members discussed that it is important to have a committee focused on non-teacher education coursework and programming. There was consensus as to the importance of an Undergraduate Studies Committee.			
	Charge 2: Explore ways to increase undergraduate enrollment in non-TE programs	The Committee addressed consideration of different ways to promote non-teacher education programs. Interest in non-TE programs was noted, but specific recruitment ideas were not identified.
