

Report of the Research and Development Committee
School of Education, Indiana University, Bloomington
School Year 2009-10

May 3, 2010

The Research and Development Committee met twice during the school year with their major activity being the review of internal grant proposals from the various endowment accounts. The results of the reviews are as follows:

- Proffitt Research
 - All eight submissions were funded but with substantially reduced budgets
- Proffitt Summer Faculty Fellowships
 - Two were submitted and funded
- Kempf Fund
 - One proposal submitted and funded
- Peace and Education
 - No submissions this year

Committee Members:
