**RE:** Annual Report for the 2013-14 Undergraduate Scholarship Committee

Laura Stachowski and Katie Paulin met in mid-February to discuss the review process for the Undergraduate Scholarship program. The goal was to create a rubric that committee members could use in scoring the various components of the scholarship application sets and thus systematize the review process. Committee members could then come to the meeting having rank ordered the application sets they had reviewed, with supporting notes prepared to aid in making award decisions.

The Undergraduate Scholarship Committee held initial meetings on February 20 and 21, to distribute scholarship application sets, discuss the new review process and rubric, and address any questions committee members had. The Committee then met again on March 3 to select recipients for the 2014-15 academic year. Those in attendance at the selection meeting included: Melissa Keller, Leana McClain, Camilla McMahon, Laura Stachowski, and Joel Wong. Carmen Medina was on sabbatical. Katie Paulin served as the facilitator of the Committee's discussion, to ensure that recipients selected met the criteria of specific awards.
