This program sheet is effective for all students starting at IUB beginning summer 2020.

Bloomington

LICENSE ADDITION: MATHEMATICS (MIDDLE GRADES)

The Middle Grades Mathematics License Addition can be added to an Elementary or Secondary License. This program is only available to students pursuing their first education degree. A grade of "C" or higher in each course and a minimum 2.5 GPA in the license addition is required.

May 2020

8 credits

NOTE:

Required

• It may not be possible to complete this license addition as part of a four-year undergraduate degree program. A graduate option is available.

Required

• An unlimited number of education courses may double count for both an education program and a license addition.

8 credits

- An unlimited number of education courses may double count for multiple license additions.
- Only one (1) course may double count for both a license addition and an academic minor.

ELEMENTARY & ELEMENTARY SPECIAL EDUCATION OPTION

32 credits/2.5 GPA

A grade of C or higher is required in each course.

SECONDARY & ALL-GRADES OPTION 32-33 credits/2.5 GPA A grade of C or higher is required in each course.
