The State of Indiana has authorized Indiana University School of Education to offer License Additions in selected areas. The Computer Educator License can be added to an Elementary or Secondary License. This program is only available to students pursuing their first education degree. A grade of "C" or higher in each education course and a minimum 2.5 GPA in the license addition is required.

It may not be possible to complete this license addition as part of the four year undergraduate degree program. A graduate option is available.

May 2016

NOTE: Alternate courses may be approved by the Academic Standards Committee with the recommendation of the Computer Educator License Faculty.
